Electricity Network - Completion Certificate

Oranga Precinct State Ave

Vector Project No. EC-19-ACIP4-142,

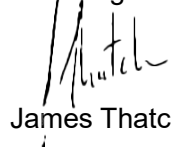

Description of the Works: Vector Electricity infrastructure works.

It is hereby certified that the works as detailed on the attached construction plan drawings are practically complete in accordance with the Vector contract documents with Korahi Alliance for State Ave.

The only exclusion to this is the works in the future walkway between Gambia Place and State Ave which will be developed under a separate

Please do not hesitate to contact me if you have any further questions.

Kind Regards

James Thatcher | Vector Project Manger
