ABOUT KĀINGA ORA

Kāinga Ora – Homes and Communities was established to bring together the people, capabilities and resources of KiwiBuild, Housing New Zealand and HLC. The goal is to achieve a more cohesive, joined-up approach to support the Government’s priorities for housing and urban development in New Zealand.

Kāinga Ora has two key roles:

- » Being a world-class public housing landlord
- » Partnering with the development community, Māori, local and central government, and others on urban development projects of all sizes.

The Kāinga Ora Urban Development and Delivery Team is helping to provide more homes, at a faster pace, to growth areas by managing urban development projects on under-utilised Government-owned land, to deliver well-planned neighbourhoods and enable thriving communities.

WELCOME TO ROSKILL DEVELOPMENT

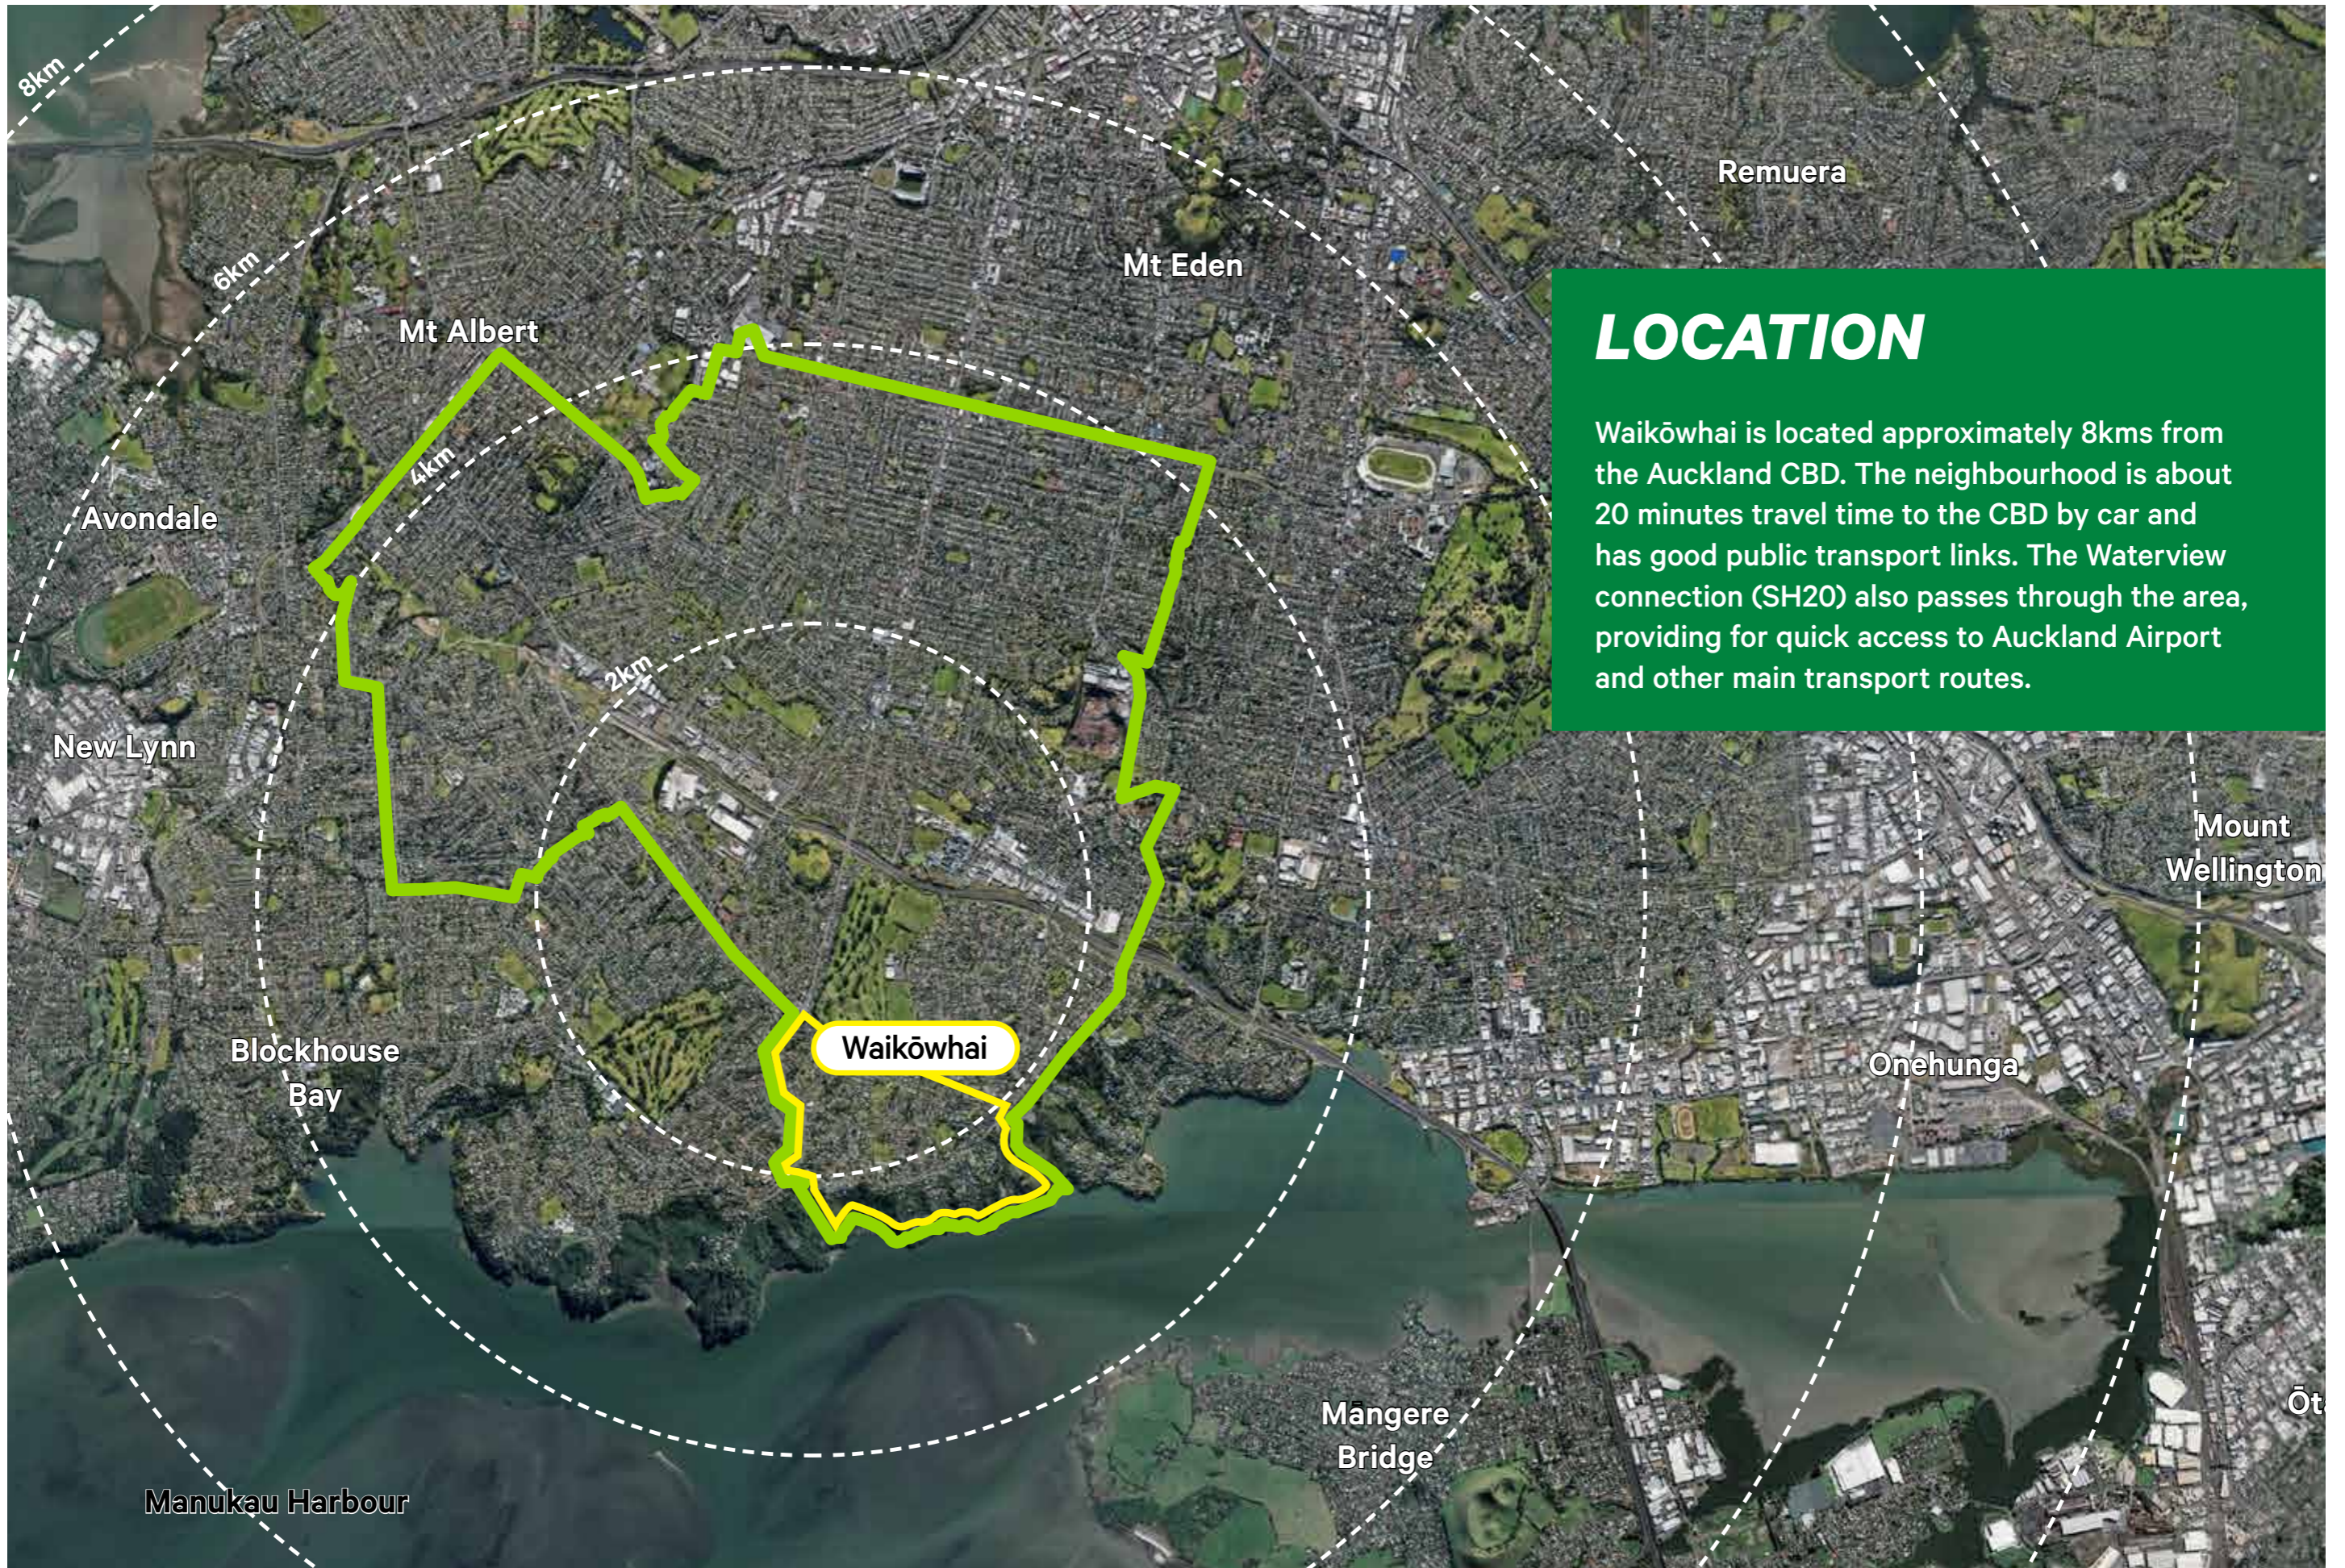

The Roskill Development is a large scale urban development aimed at delivering more affordable market homes, social homes and improved infrastructure and amenity. It is led by Kāinga Ora's Urban Development team, bringing expertise gained from developing Hobsonville Point.

The development will deliver warm, dry, healthy homes to 16 neighbourhoods and better infrastructure and amenity to be shared by the community.

The Roskill Development isn't just about building new homes, it's also about making the most of our neighbourhoods. Kāinga Ora is taking a holistic approach to creating an inclusive urban environment. We're working with partners like Auckland Council, Auckland Transport, the Ministry of Education and mana whenua to renovate the things that improve wellbeing – parks, schools, public spaces, green space, walking paths and underground infrastructure.

We are excited to work with our partners to provide greater housing options and improved amenities that will make Auckland an even better place to live.

LOCATION

Waikōwhai is located approximately 8kms from the Auckland CBD. The neighbourhood is about 20 minutes travel time to the CBD by car and has good public transport links. The Waterview connection (SH20) also passes through the area, providing for quick access to Auckland Airport and other main transport routes.

NEIGHBOURHOODS

Waikōwhai is part of the Roskill Precinct, a 16 neighborhood masterplanned urban regeneration project. The precinct is 165 hectares in area and is currently home to approximately 71,000 people. The concentration of state housing within the neighbourhoods will decrease and the overall density will increase as the social/affordable/market housing mix is delivered.

Work is currently underway in Roskill South, Ōwairaka and Waikōwhai neighbourhoods. The remaining 12 neighbourhoods are planned future developments.

THE VISION

More homes, great neighbourhoods

Kāinga Ora is delivering new warm, healthy homes to the city’s residents – more state housing for those in need; more homes for first home buyers; and a greater supply of homes on the market.

Developments are underway in Northcote, Roskill South, Ōwairaka, Oranga, Mangere and Waikōwhai. Kāinga Ora is also working alongside Tāmaki Regeneration Company to deliver more homes to Point England, Panmure and Glen Innes in Auckland’s east; and to establish a new large scale suburban redevelopment project in Porirua, near Wellington.

Redevelopment is not, however, just about numbers of homes. The projects will create improved infrastructure, more connected neighbourhoods and better amenities; and they will lead to innovation in the home construction market by creating a significant pipeline of work for our builder/developer partners.

⋮ *Kāinga Ora’s vision for the developments is to increase the supply and choice of new, high-quality housing, and to support and strengthen the communities as they grow.*

Waikōwhai is a little known treasure. Less than 30 minutes from the CBD, this harbour suburb is a place where you can escape the city, but be in Mt Eden within 15 minutes.

Home to the largest block of native forest in Auckland City, Waikōwhai is a haven blessed with tranquil bushwalks, hidden bays and virtually untouched beaches.

Waikōwhai is home to four schools, Waikōwhai Primary, Monte Cecilia, Waikōwhai Intermediate and Hay Park School, as well as two kindergartens.

Great amenity

Local shops and parks are all within a close walk and over the next 10 years, as part of the Roskill Development, Waikōwhai will change to incorporate new streetscapes and cycle lanes, upgraded shops and parks, and 1,200 new high-quality homes. These changes will provide a greater choice of homes in a more sustainable, affordable and beautiful neighbourhood.

PARTNERING AND WORKING WITH MĀORI

Kāinga Ora's mandate spans a number of projects across Aotearoa. Our development precincts are located within the tribal areas of various mana whenua groups throughout the motu. We are committed to working with Māori to support Māori urban development aspirations and Māori housing outcomes. Kāinga Ora is also committed to upholding the principles of Te Tiriti o Waitangi, including the protection of taonga Māori. We will have meaningful and early engagement with Māori about the development of this land and we invite Māori to participate in this urban development.

Mana Whenua

Definition: Mana whenua means the indigenous people (Māori) who have historic and territorial rights over land and water. It refers to iwi and hapu (Māori tribal groups) who have these rights in a defined geographical area of interest.

Mataawaka

Definition: Mataawaka means the indigenous people (Māori) who live in an area and are not within a mana whenua group.

Kāinga Ora is working with Māori o te motu, in developing an engagement approach across our development precincts to help facilitate for Māori, the implementation of environmental, social, cultural and economic outcomes.

Kāinga Ora acknowledges the authentic role of mana whenua and has formalised individual relationships with mana whenua entities. Commercial development and other opportunities will be explored through these avenues.

Kāinga Ora's special focus on Māori aspirations in relation to urban development also includes working with iwi asset holding companies and iwi subsidiaries to offer Māori opportunities to participate in urban development.

We recognise that our development precincts comprise a number of mataawaka groups and entities. It is important for Respondents to understand our commitment to working with our Treaty partners, mana whenua and mataawaka respectively and, where appropriate, commit to supporting the implementation of effective housing outcomes which reflect this approach.

Cultural innovation is important and entities that accurately capture wahi kāinga, multi-generational living, matauranga Māori, kaupapa Māori and tikanga Māori design principles are encouraged to respond.

Opportunities for Māori

Kāinga Ora is committed to working with mana whenua and mataawaka entities to address Māori housing needs. We seek your support in defining effective pathways for the delivery of housing developments to achieve successful Māori housing outcomes. We, therefore, welcome Māori entities and their partners to partner with us to achieve these outcomes.

HOUSING OPTIONS

Kāinga Ora is committed to delivering a range of housing typologies and tenures across the Roskill Development and encourages the delivery of intergenerational homes or other affordable options.

Kāinga Ora also encourages the delivery of homes offered to the market as Build to Rent (BTR) with secure tenure, shared equity and rent to buy. Units can be considered as affordable homes delivered as Build to Rent homes (BTR), subject to the Kāinga Ora BTR policy. For example, If a single superlot is being purchased, the lot could be delivered in part or full as BTR. If you are interested in delivering BTR or other affordable products, such as shared equity homes, please get in touch with Kāinga Ora to discuss.

MARKETING SUPPORT FOR BUILDER/DEVELOPER PARTNERS

Kāinga Ora's urban development team will provide communications and marketing support to builder and developer partners working within the Roskill Development neighbourhoods.

We have been communicating with Waikōwhai residents for approximately two years. Once our developer/builder partners have product to sell, they are invited to contribute to a marketing fund. Through experience gained across our Large Scale Projects, we've found that pooling our resources creates more impact and everyone benefits.

Place-based Marketing

Kāinga Ora focuses marketing efforts on place first and product second. The scale of our developments Auckland-wide gives us considerable impact across all forms of media, including editorial and advertising in traditional print and broadcast media as well as through online channels. The Roskill Development has its own website and Facebook page, as well as ongoing press and online advertising support.

The Roskill Development's brand promise to homebuyers is to live centrally where you can get around Auckland and access a great lifestyle with ease. Public transport, parks, beaches, Te Auaunga (Oakley Creek) walkway and a thriving food scene are all within easy reach of these neighbourhoods.

Product Marketing

Kāinga Ora promotes homes for sale via press ads in NZ Herald Homes and editorial/advertorial content in the wider print and broadcast media and through social media channels such as Facebook. We run regular digital campaigns online with a targeted call to action, e.g. a visit to the developer's display suite.
