Applicant:

Kainga Ora - Urban Development Delivery Group
C/O James Copley
3 Boundary Road
Catalina Workshops
Hobsonville
Auckland 0618

Note: A final Engineering Approval Completion Certificate (EACC) issued in respect to all the engineering works covered by the above Approval.

The Statement of Certification has been signed and dated by Henk Van der Watt on 05/05/2023.

The As-built plan has been signed and dated by Ryan Bruce Healey on 18/01/2023.

Auckland Council Regulatory Engineering is satisfied upon reasonable grounds that these works, certified by Henk Van der Watt, have met the requirements of the Engineering Approval.

This Engineering Approval Completion Certificate is granted subject to the following conditions:

- That 24-hour access to public infrastructure on private land be provided to Auckland Council, Watercare and its representatives in accordance with the Local Government Act 2004.
- That a post-construction audit may be carried out of these works.
- That subsequent to this audit, if the works associated with this consent are found to be deficient in any way, remedial works and / or revised documentation may be required.

Signed for and on behalf of Council on this day: 22/06/2023
